

EVIDENCE REVIEW SUMMARY

Veteran’s Name:	John Smith
VA File Number:	123456789
Date of Evidence Review:	03/01/2022

**Claims Processors:** The Evidence Review Summary is intended to be used as a tool to efficiently identify documents in the Veteran’s VBMS eFolder to support identifying possible military service related to presumptive conditions and possible evaluation criteria.

In certain circumstances, Automation may be unable to download all relevant documents. Please consider the potential for unreviewed evidence contained in the documents listed in the Relevant Documents Unavailable for Automated Review table found at the end of this summary, as well as the totality of the Veteran's record.

Table of Contents

Relevant Military Service Locations..... 1

Schedular Evidence..... 1

Other Medical Evidence ..... 2
